

NICOLE TOLBERT: EDITOR OF JARRELL HIGH SCHOOL KEY CLUB

September 2010

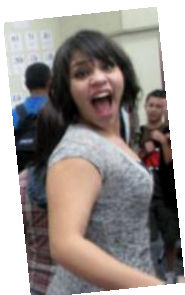

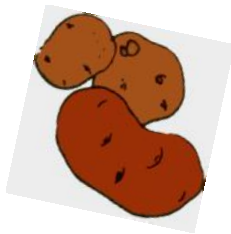

INSIDE THIS ISSUE:

Monthly Totals	pg.1
Make-A-Wish	pg.2
Member Meeting	pg.2
Lemonade Stand	pg.3
Picture Corner	pg.3

ACCOMPLISHMENTS:

For the month of September, our club successfully completed the following:

- 2 service projects
- 1 member meeting
- 3 socials
- 1 executive meeting
- 2 agendas
- 2 newsletters
- 1 newspaper coverage

Don't forget to pick up your UNICEF box and start collecting donations!

Also, remember to add up your money total before turning it in at the end of October to Ms. Hughes!

Thanks, and have a great Halloween!

MAKE-A-WISH FOUNDATION POTATO WALK/RUN AND DINNER

On September 4, 2010, Jarrell High School Cheerleaders, Student Council, and Key Club held a fundraiser for the Make-A-Wish Foundation. At 5pm, people gathered in front of the high school to run or walk the 5K to the new fire station and back. Participants did awesome and were extremely grateful for the water stops along the way! When the runners and walkers returned, the potato dinner was already in session! Many people enjoyed their delicious baked potatoes in the JHS Cafeteria. A total of \$2,304.81 was raised for the Make-A-Wish Foundation! Thanks to everyone who participated and helped out to make this event successful and a lot of fun! This event was publicized in the Williamson County Sun Newspaper! We would also love to give a special thanks to Clawson Disposal for donating the event t-shirts and potatoes!

MEETING!!!

The member meeting on September 28th went very well. Many new members (including lots of freshman) were in attendance! VP Erica Hernandez lead the group in a game with tons of yarn-filled fun, guest speaker, Ms. Beavers, discussed available scholarships with the sophomores of the club, President Raquel Higdon brought up issues of importance, magazines and UNICEF boxes were handed out to each member in attendance, and much more! Thanks to everyone for your participation and attentiveness! Let's continue to make this a great year for our Key Club!

Alex's Lemonade Stand

Alex's Lemonade Stand Foundation raises money toward finding a cure for childhood cancer. A 4-year old girl started it all 10 years ago by having her first lemonade stand to raise money for this cause—she herself, Alexandra Scott, had childhood cancer and passed away August 1, 2004. Since then people continue her great efforts to help find a cure! A total of \$30 million has been raised, striving to reach Alex's goal!

JHS Key Club will be serving lemonade or another cool drink during tutorials in the cafeteria. Donate 50 cents to get an awesome drink and raise money for childhood cancer!

PICTURE CORNER!
