NEW BEGINNINGS

Paul Golay, President

Gayle Noble has been a great leader for the past year, and we need to thank her for the many hours of dedication to our club. Gayle has given of her time and talents to help us grow in our efforts to serve the community, and each of us needs to express our appreciation for all she has done. With Gayle’s leadership we have continued the status of distinguished club and achieved the top step on the extension ladder in the T-O Step-Up Campaign. And also thanks to Jack for all the assistance he has provided.

The Service Club Coalition is working to make the *Chisholm Trail Days* a big success. This project will raise money for the Georgetown High Nest, a place for homeless youth to go after school to study and relax. Your support in giving your time on October 15 and selling tickets to the BBQ dinner will help this worthy cause.

The *Holiday Home Tour* committees have been hard at work putting the final details in place to make this a great HHT. Ticket sales begin on October 18th. We all can help sell tickets. Everyone is going to want to view the seven wonderful homes on this year’s tour.

The coming year will have its challenges. With the present economic conditions our community has many new needs our club can help to meet. **We can do it together.**
